

Ask My Group

www.nacskc.com / Member Log / CreditCOMPASS

When your Ordered Credit Report is Displayed you have the option to send an email to all members of your group asking them for additional information on said report.

Click the “Ask My Group” icon and the system will send a web generated email to all group members with a link that opens to the AR Entry Page for members to update the account.

****Please Note: Do Not reply to these web generated emails as group members do not receive.**

****Best Practice is to wait 24 hours to re-order the Credit Report to give all members time to respond. (If you have the notification turned on - you will receive an email when a members updates the account)**
